

MARCH 2014

PRESIDENT'S MESSAGE:

March is on its way and bringing National Women's month, daylight savings time (March 9th), St. Patrick's Day and the first day of Spring (March 20th).

Our general meeting for March is being held on Monday, March 17th, so a brief meeting will be held during our St. Patrick's Day dinner. Be sure to get your reservation in early for this fun event, as it is a joint sponsorship event with the Forest Hill Association. You won't want to miss this fun annual green dinner.

March 2nd is the Forest Hill Association annual Lunar New Year Celebration. The festivities will be held at the Clubhouse and outside patio from 2:00 to 4:00 PM. This year is the Year of the Horse. This is always a special event here at Forest Hill. Come and enjoy!

We want to thank Sally Kipper and her committee for our February meeting. The program and tea were excellent as were the decorations. It was an impressive event. Everyone enjoyed it very much.

Our general meeting program on April 21st will be a speaker from the De Young Museum of Art on the subject of their current Georgia O'Keefe exhibit. Eva Monroe is hosting this event for the garden club.

Following this, on Friday, April 25th, Sima Talai will host a Community Service event. This dinner will benefit Moms Against Poverty. It will begin at 6:00 PM, with further information to come in our next newsletter.
