

FEBRUARY 2020

PRESIDENT'S MESSAGE:

What a great program on Women's Health we had in January. **Dr. Christian Thompson** from USF, inspired all the participants at the meeting to be part of the concept "Always Active". **Diane Wara** is coordinating with the Association for the Garden Club and Association members to form an exercise group. It will be held at the clubhouse, for which, according to insider information, there will be no charge. Thank you **Anna Bolechowski** and **Nancy Hagosian** for decorating and setting up the tables with flowers for the January meeting. Thank you **Yen Bachmeier** for setting out the chairs. The throngs of sixty plus participants enjoyed an incredible tea produced by my wonderful team of **Marcia Elias, Nancy Broden, Kathe Farrell, Eva Monroe, Angela Carnegie, Darlene Hartman, Sima Talai, Kathleen Fong and Ingeborg**. Pouring coffee and tea nonstop was done by **Angela, Dena, Nancy B. and Marcia**. Thank you all for your help.

At the business meeting **Yen Bachmeier** gave a preview for our February program: "**Mission Joy: The Hats of Kathleen Kelley**". Kathleen is an Interior Designer and Artisan of custom hats and ornaments for ladies. Her works had been seen at Holiday Artisan Fair, Bouquets to Art Trunk Show and Art-Wear at the de Young Museum. Kathleen will bring and show us her amazing hat collection, she will tell you about the love and joy she put in to each piece of her creations, and she will assist you how to wear your hat properly. Come wear your favorite fascinator. It promises to be great fun.

Darlene Hartman gave us information about the March program, Spring Community Service. We will fill some nice containers with succulent plants which then will be delivered to the hospital. Ingeborg gave the gardeners a list of what needs to be done this time of year in the garden. Looking forward to seeing you all at the February meeting. Please bring a guest or two.
