

# March 2022

## PRESIDENT'S MESSAGE:

As anticipated, our February program THE LOST DEPARTMENT STORES OF SAN FRANCISCO, was a big success. The event was chaired by **Yen Bachmeier** and **Ingeborg McGlynn** (who was there in spirit). Thank you Yen for introducing our presenter, **Ann Evers Hitz**. She talked about the colorful personalities who created the six major stores which defined shopping in San Francisco, and the slideshow accompanying her talk was enjoyed by the big turn-out of members and their guests. Our decorator in chief, **Eva Monroe** and her team, **Yen Bachmeier**, **Marcia Elias**, **Saundra McCormick** and **Laura Outsen**, put on a beautiful display showing memorabilia of a bygone era. Thank you all. Lovely flower arrangements graced the refreshment table and the entrance created by **Nancy Hagosian** and **Anna Bolechowski**. As always, my big thanks to you.

One of the big attractions after an event is the refreshment table. **Marcia Elias** was in charge and her team of **Laura Outsen** and **Nancy Broden** were all working hard to make it very special. To pick up two large Blum's Crunch cakes in Japan Town, a chauffeur was needed and Marcia's husband Mark was drafted. Thank you all for a great job well done. **Diane Wara** was the winner of the round Crunch cake auction, a gift for her husband Bill. The proceeds helped defray the refreshments cost. Thank you, Diane.

Photos of this event can be viewed on the Club's website. Every event is a group effort and I would like to invite you to let me know if you can assist with some of the work we need to do to prepare for a program.

Looking ahead to our March event, **Dr. Robert Lustig**, a Forest Hill neighbor and renowned pediatric endocrinologist, will give a lecture on "THE HATEFUL EIGHT: THE TRUE CAUSES OF AGING". It promises to be engaging and educational as we will learn how metabolic syndromes are diseases of aging.

The Nominating Committee has been formed. The members are: **Louis Bacigalupi**, **Donna Earhart**, **Marcia Elias**, **Nancy Hagosian** and **Lena Pritchard**. At the March meeting, the Committee will present to the membership a new slate of officers to be elected to serve in the next fiscal year.

Until the next meeting, stay healthy and safe.

-Ingeborg McGlynn
